Composite Worker rad 23SEP2015 prg10758.pdf

Good Evening Angela:

Attached is the draft of the NFB Action Memo. Unfortunately, I was waiting for some information from other sources (financial estimates and enforcement) and have yet to receive it. If you see yellow in the Action Memo, that is the reason. I have also attached the PRG for the receptor with the greatest risk (composite worker-indoors & outdoors).

Please let me know what you think. Thanks

Regards,

Eric
